## **Printing of New Unclaimed Property Names Begins April 1**

*Time to start looking for any forgotten money!*

(Madison) Wisconsin State Treasurer Kurt Schuller will begin printing the new names received in 2010 by the Office of State Treasurer of people who have forgotten money or abandoned assets on April 1<sup>st</sup>. The listings will appear in newspapers statewide for the next three months.

Each year corporations turn cash, securities and the contents of safe deposit boxes over to the Office of State Treasurer. The Unclaimed Property Unit helps reunite Wisconsinites or former Wisconsin residents with their lost funds.

“This is, by far, the most popular program run out of my Office”, Treasurer Schuller said. “We have nearly \$400 million in unclaimed property and my staff works fast to get these financial assets or items back to owners.”

The listings of names will begin April 1 in Waukesha and end June 11 in Juneau County. The papers of record in each county will list the new names received this year. Please be sure to look for your name or names of relatives and friends and begin the process of claiming money. A schedule of publication dates for each county is attached with this news release.

As always, you can check for unclaimed property 24 hours a day at our website [www.statetreasury.wisconsin.gov](http://www.statetreasury.wisconsin.gov). Just click on the magnifying glass on the home page! The names in our database span nearly 30 years!
